Tim:

Thanks for your voicemail. We are missing authorizations, peel-n-sticks, operative reports or other portions of records in the cases listed on the attached spreadsheet (among others). All of the lawyers in these cases have received at least one request for these records. For example, Andrea and Nicole Brett have emailed a number of plaintiffs' lawyers about missing records with only a few responses and few records actually produced. Also, Abi tells me she awaits workable authorizations from one of your cases, about which she contacted you some time ago.

Not throwing stones, just want the records.

Thanks Tim.

Jay
